## SUPERVISOR'S MESSAGE

I just wanted to take a moment to thank the businesses and residents of Port Huron Township for their efforts during these unprecedented times.

In times of crisis like this, I am reminded again how honored I am to serve this great community.

As we slowly begin to re-open our businesses and resume activities in accordance with the Governor's executive order, remember to be safe and stay strong.

We will get through this together. Thank you- Bob Lewandowski

## ELECTIONS FOR 2020

Primary Election, August 4, 2020

General Election, November 3, 2020

Don't wait . . . check to see if you are registered to vote today! Call our office or check the Michigan Voter Information Center online at <https://mVIC.sos.state.mi.us/>

The Michigan Voter Information Center is a great resource. It allows you to register to vote, apply for an absentee ballot, track your absentee ballot, view a sample ballot, find your polling location, and many other resources. The Township's website, under the Clerk's Department, also has links and resources to this information.

We are working to provide safe precincts for our election workers as well as our voters. For optimal social distancing and safety, as well as avoiding lines, we would encourage people to use the absentee ballot process. If you have any questions regarding the process or how it works, we would be happy to talk with you or invite you be involved.

**\*\*Reminder\*\***

August is a Primary Election. You can only vote for **one party** in the partisan section. There will also be proposals on the ballot (Be sure to review both the front and back of your ballot so you don't miss anything)

## 2019 DRINKING WATER QUALITY REPORT
