January 19, 2023

Dear Walk for Warmth Participant:

Each year our agency holds an annual Walk for Warmth to raise funds to help families within St. Clair County cover their utility costs during the winter months. The Walk for Warmth is a part of a state-wide effort to promote awareness for people experiencing heat-related emergencies and to advocate for them. During the frosty, cold winter months, many people are forced to choose between heating their homes, buying groceries, and/or paying rent/mortgage. With so many families and individuals continuing to feel the after affects of the COVID-19 pandemic there is a higher need for help than before with heating and utility bills.

It's that time of year again when we all get together to "Move Your Feet to Give Others Heat"! Our goal is to raise \$15,000 which would be able to help approximately 30 families in St. Clair County with heating/utility bills. With your support and participation again this year we hope to meet and/or exceed our goal to help families this winter.

WE ARE BACK to an in-person Walk. Enclosed is a pledge sheet, ask your friends, family members, youth groups, co-workers, or neighbors to participate with you or pledge their support. Extra pledge sheets are available by calling (810) 982-8541 or picked up at the Blue Water Community Action Office. If you are unable to participate in the actual Walk but would like to help, contributions may be mailed to the Walk for Warmth Fund at Blue Water Community Action, 3403 Lapeer Road, Port Huron, MI 48060. Checks are to be made payable to BWCA W4W.

Please join us on March 4, 2023, at 9:00 a.m. ... Enjoy coffee ...a brisk winter walk... a hot breakfast... purchase tickets to win a basket or 50/50... and most importantly,  
"Move Your Feet to Give Others Heat"

Location will be at the Blue Water Community Action, 3403 Lapeer Road, Port Huron.

Thank you for your continued support in our Annual Walk for Warmth. If you have any questions, do not hesitate to contact me at 810-455-6418.

Sincerely,

Darlene Kramp  
Community Services Associate Director
