

Your Community. Your Legacy. Your Opportunity.

A Message from the Port Huron Township Supervisor:

Every one of us has something we love about Port Huron Township. Maybe it's watching your children play in our parks, taking your grandchildren to a community event, enjoying a summer concert, or simply taking pride in the place, you call home.

Today, you have the opportunity to help ensure those experiences continue for generations to come.

Through a generous **Community Foundation Challenge Grant**, every dollar donated to the **Port Huron Township Community Endowment Fund** will be **matched dollar for dollar, up to \$25,000**. That means your gift instantly doubles its impact and helps create a permanent investment in our community's future.

What Is an Endowment Fund?

Think of it as Port Huron Township's savings account for tomorrow. Your donation is professionally invested and protected; the principal remains the same while the earnings are used to support projects and programs that improve our community and businesses year after year. Unlike a one-time fundraiser, an endowment continues working for the people of Port Huron Township forever. Your donation becomes a gift that continues giving back—not just today, but for future generations.

What Could It Support?

The possibilities are endless and can evolve with our community's needs, including but not limited to:

- Parks and playground improvements
- Recreational programs for children and families
- Senior activities and community services
- Beautification projects
- Community events and festivals
- Educational and cultural opportunities
- New projects that improve the quality of life for everyone who lives here

Why Should You Give?

This is your township. The park your children enjoy today could be made better because of your gift. The family event your grandchildren attend years from now could be possible because neighbors cared enough to invest in their community. The improvements that make Port Huron Township a better place to live can start with people just like you.

You don't need to make a large donation to make a lasting difference. No Gift is too small...

\$10 becomes \$20.

\$25 becomes \$50.

\$100 becomes \$200.

Every dollar counts. Every gift matters. Every donor becomes part of the story.

Together, we can build something that will continue giving back to Port Huron Township long after we're gone—a lasting legacy that reflects the pride, generosity, and spirit of the people who live here.

I invite you to join us in making this vision a reality.

Because the best investment we can make is in our own community

On behalf of Port Huron Township

Thank you for your support and for investing in our shared future.
